This certificate program will allow students to be prepared to seek employment in the brewing industry. Students will learn the science and business behind brewing and experience production hands-on in a regional brewery. Graduates will be able to identify and evaluate the quality of beer and develop mechanical aptitude in working with brewing equipment. In addition, students will learn environmental sustainability techniques in modern beer production. Prospective job titles include assistant brewer; brewing equipment operator; quality assurance technician.

Brewing Operations students must maintain the scholastic standards of the college and must achieve a grade of "C" or better in each of the required courses. Students are expected to be well-groomed in compliance with standards of sanitation. Students must be age 21 or older prior to enrolling in Hospitality Management 202 (Sensory Evaluation of Beer).

This is a career program and is designed to enable students to seek employment at the program's completion.

Successful completion of this program qualifies a student to apply for a Certificate in Brewing Operations.
