This certificate program is designed for persons employed in criminal justice and for those desiring to learn more about the field of criminal justice criminal investigations . This program will give students an opportunity to pursue initial study in criminal justice and criminal investigations, to set an academic goal, and will still allow for continuation toward an Associate of Science degree in Criminal Justice and/or Criminal Investigations. Specifically, this certificate program is a beginner step toward the Criminal Investigations Area of Concentration of the Criminal Justice Transfer Program at Allegany College of Maryland.

Criminal Justice students must maintain the scholastic standards of the College and must achieve a grade of "C" or better in all required Criminal Justice courses

Successful completion of this program qualifies a student to apply for a Certificate in Criminal Investigations.
