This program provides a comprehensive approach to criminal justice education while providing educational opportunities relating to the field of Criminal Investigations. This area of concentration is intended to prepare the student in the broad foundation of coursework for further study within the field of criminal justice and/or criminal investigations.

Students choosing to transfer to further their education will have greater employment opportunities and will be more competitive for employment. Students planning to transfer should consult with their advisor or the Advising Center staff regarding specific program and course transfer issues. Students intending to seek employment upon completion of the program should consider the two-year career program preparation for employment.

Criminal Justice students must maintain the scholastic standards of the College and must achieve a grade of "C" or better in all required Criminal Justice courses.

Successful completion of this program qualifies a student to apply for an Associate of Science degree in Criminal Justice Transfer with an Area of Concentration in Criminal Investigations.
