This transfer pattern is designed for students planning to transfer to a four-year college or university with a major in English but are uncertain as to the transfer institution. The courses included in this program closely parallel the first two years of an English major at many four-year institutions.

This is a transfer program and is designed to enable students to transfer to a four-year college or university. Check with your advisor and the Advising Center staff as soon as possible to ensure specific course transferability.

Successful completion of this program qualifies a student to apply for an Associate of Arts degree in Arts and Sciences - Area of Concentration in English.
