The Hospitality Management curriculum prepares individuals to seek employment in a variety of hospitality and recreation businesses. Successful completion of the degree program will qualify a person to be employed in hotels, restaurants, resorts, and other businesses that provide lodging, recreation, and/or food service.

Students choosing the Hotel and Restaurant Management Area of Concentration will take courses that are intended to provide them with the skill set to enable them to function as first-line managers. In a partnership with the Culinary Arts program, students will have the opportunity to operate and manage a college-owned restaurant in the Gateway Center building in downtown Cumberland. Program specific courses include a practicum component that will provide valuable hands-on experience in all aspects of restaurant management. In addition, students will complete one of their internships at an area lodging facility to round-out their training.

The Hospitality Management Curriculum at Allegany College of Maryland has been designated as a Statewide Program by the Maryland Higher Education Commission. Maryland residents from counties other than Allegany County who register in this eligible program will be charged the out-of-county tuition rate. However, these students may be eligible to receive reimbursement for a portion of the cost difference between the in-county and out-of-county tuition rates. Funding availability for this program is based on funding from the State of Maryland and is thus subject to change each semester. Some restrictions apply. More information can be obtained by contacting the Admissions Office.

Hospitality Management students must maintain the scholastic standards of the college and must achieve a grade of "C" or better in each Hospitality Management and Culinary Arts course. Students are expected to be well-groomed in compliance with standards of the industry. This is a career program and is designed to enable students to seek employment at the program's completion. Students planning to transfer should consult with their advisor or the Advising Center staff regarding specific program and course transfer issues.

Successful completion of this program qualifies a student to apply for an Associate of Applied Science degree in Hospitality Management - Area of Concentration in Hotel and Restaurant Management.

Program graduates are eligible to take the national certification examination to become a CDM/CFPP (Certified Dietary Manager/Certified Food Protection Professional). Contact the Certifying Board for Dietary Managers for additional information.
