This curriculum is designed for the student interested in a career in the legal field who wishes to primarily focus his or her education on legal studies. Through this certificate program, students learn about various areas of law including criminal, family, contract, tort, and estate law. Graduation from this certificate program will provide students with opportunities to enter the workforce with the requisite knowledge and skills to obtain employment in beginner level positions in certain government offices or as an entry-level legal assistant/paralegal.

This certificate program can be taken 100% online, but traditional classroom offerings are available for many classes, as well.

In order to graduate from the Legal Studies Certificate Program, the students must meet all college academic requirements plus achieve a grade of "C" or better in each Legal Studies (LEGL) and Criminal Justice (CRIM) course.
