PSYCHOLOGY (AOC)

PROGRAM OVERVIEW

Dr. Stephen Gibson, *Division Chair* sgibson@allegany.edu Humanities 22 301-784-5208

This transfer pattern is designed for students planning to transfer to a four-year degree program with a major in psychology. It is also intended to provide students an opportunity to attain the knowledge and skills necessary for potential employment in various agencies, institutions, and organizations, and to widen opportunities for advancement of currently employed students.

The general studies listed below must be coordinated with transfer requirements at the four-year institution in order to avoid errors in course selection. When the curriculum is selected for the potential career opportunities it offers, course selection must meet this particular need. In either case, the student must work very closely with the advisor to build a total program that meets his/her needs.

This program is designed to enable students to transfer to a four-year college or university. Check with your advisor and the Advising Center staff as soon as possible to ensure specific course transferability.

Successful completion of this program qualifies a student to apply for an Associate of Science degree in Arts and Sciences - Area of Concentration in Psychology.

COURSE REQUIREMENTS

REQUIRED PSYCHOLOGY COURSES

PSYC-101	General Psychology
----------	--------------------

REQUIRED GENERAL COURSES

BIO-101 COMP-101 ENG-101 MATH-102 or MATH-109 SOC-101 SPCH-101 General Biology I Computer Literacy English Composition I College Algebra or Probability and Statistics Introduction to Sociology Speech Communication

REQUIRED ELECTIVE COURSES

Please consult with your advisor or the Advising Center staff for selecting appropriate elective courses for graduation.

Electives - 9 credits

English Elective - 3 credits
