This program provides the student with the first two years of college work towards the bachelor's degree in sociology from a four-year college or university. It also offers students an opportunity to attain the knowledge and skills necessary for work opportunities in a variety of social service agencies, institutions, and organizations.

This is a transfer program and is designed to enable students to transfer to a four-year college or university. Check with your advisor and the Student Success Center as soon as possible to ensure specific course transferability.

Successful completion of this program qualifies a student to apply for an Associate of Science degree in Arts and Sciences - Area of Concentration in Sociology.
