The Teacher Education Program is designed for students who wish to transfer to a four-year institution to pursue a Bachelor of Arts or Bachelor of Science degree. The Teacher Education Program has three areas of concentration: early childhood (pre-kindergarten through third- grade), elementary education (first through sixth grade), and secondary education (seventh through twelfth grade). All education majors will be required to successfully complete the fingerprinting and criminal background-check process. Education majors should also note that education departments at most colleges or universities require a grade of "C" or better in education courses for credits to transfer to their education programs.

CORE COURSEWORK	
Education 100 Career Analysis in Education	1 credit hour
Education 190 Preparation for the Pre-Professional Sequence	1 credit hour
Education 191 Education Assistantship	1 credit hour
Education 201 Foundations of Education, Philosophy and Practice	3 credit hours
Education 204 Psychology of Learning and Teaching	3 credit hours
Education 217 Mathematics for Teacher Education II	3 credit hours
TOTAL CREDITS: 12	

Successful completion of the requirements for this program qualifies students to apply for an Associate of Science degree in Teacher Education - Area of Concentration in Secondary Education.
