

TEACHER EDUCATION

**TEACHER EDUCATION
PREPARATION FOR TRANSFER**

The Teacher Education Program is designed for students who wish to transfer to a four-year institution to pursue a Bachelor of Arts or Bachelor of Science degree. The Teacher Education Program has three areas of concentration: early childhood (pre-kindergarten through third grade), elementary education (first through sixth grade), and secondary education (seventh through twelfth grade). All education majors will be required to successfully complete the fingerprinting and criminal background-check process. Education majors should also note that education departments at most colleges or universities require a grade of “C” or better in education courses for credits to transfer to their education programs.

CORE COURSEWORK

	<u>Credit Hours</u>
Education 100 Career Analysis in Education	3
