The Associate of Arts in Teaching (AAT) program has been specifically designed for students who are majoring in elementary education (grades 1-6). The curriculum has been designed to provide the elementary education major a seamless, which is without loss of credit, transition to a Maryland four-year education program. The curriculum has been based on a coordination of Council for the Accreditation of Education Preparation (CAEP) standards, cooperation with faculty from Maryland four-year institutions and modeling of the Maryland Higher Education Commission approved Associate of Arts curriculum from other Maryland two-year colleges. Students transferring to four-year colleges or universities outside Maryland should work closely with their academic advisor to assess if the AAT Program or the Elementary Education Transfer Program better fulfills their needs. Education majors please note: most or substantially all four-year receiving institutions require that education majors receive a grade of "C" or better in all education classes that are to be considered for transfer of college credits. Due to the nature and extent of the specific requirements for teacher certification at all four-year institutions, it is essential that every elementary education major work in close cooperation with the academic advisor to plan the most appropriate and accurate program.

Successful completion of this program qualifies the student to apply for an Associate of Arts in Teaching.

Program Exit Requirements:

1. Successful presentation of a portfolio that meets standards.
2. Passing score/scores on the Praxis I/CORE Pre-Professional Skills Test (PPST) as established by the State of Maryland.
3. A minimum GPA of 2.75.

Please note that students who are majoring in education need to complete the fingerprint and criminal background clearance process to be eligible to participate in field experiences and/or course assignments in the local public school systems.
