STUDENT AFFAIRS AND SERVICES

ACADEMIC ACCESS & DISABILITY RESOURCES

Students who had an IEP or 504 plan in high school or have been diagnosed with a learning disability, ADHD, or a chronic medical or mental health disorder may qualify for academic accommodations. Those students who provide appropriate documentation of their condition to the Academic Access and Disability Resources Office (AADR) will have a set of academic accommodations established that uphold equal access to educational opportunities at ACM, such as extended time on tests, a reader for tests, or testing in a quiet environment. To assure timely acquisition of services, students should contact AADR at least four weeks prior to the start of the semester. Maryland residents who are retired from the workforce by reason of total and permanent disability as defined by the Social Security or Railroad Retirement Act may be eligible for a disability-based tuition waiver and should contact the AADR on the Cumberland Campus, located in the Humanities Building, Suite H-1 through H-3, by calling 301-784-5234 or emailing ADR@allegany.edu. Individuals who need assistive calling may place a call through Maryland Relay by dialing 711.

American with Disabilities Act of 1990, Title II prohibits discrimination on the basis of disability; this legislation established comprehensive standards that were expanded per 2008 Amendments. Rehabilitation Act of 1972, Section 504 prohibits discrimination against any person on the basis of a "handicap" by entities receiving federal funds.

- Allegany College of Maryland will provide access to its programs and activities to disabled persons. Discrimination against an actual or perceived disability is prohibited.
- The person must be otherwise qualified for the program or activities, accommodations must be reasonable; and accommodations may not fundamentally alter the program of service.
- Students who have a documented disability that affects learning for which reasonable accommodations are needed should contact Academic Access and Disability Resources. (See above)
- Employees who have a documented disability for which reasonable accommodations are needed during employment should contact Human Resources.
- Any person with a documented disability for which reasonable accommodations are needed for other programs or activities should contact the ADA/504 Coordinator.
- Any person who experiences discrimination on the basis of a disability may file a complaint under the College's grievance process; retaliation for filing a complaint is prohibited.

For instructional accommodations, contact https://allegany.edu/academic-access-and-disability-resources/index.html. For non-instructional accommodations or if you need to make a complaint, contact ACM's ADA/504 Coordinator, Dr. Renee Conner in CC-152, by email at rconner@allegany.edu or by phone 301-784-5206.
